

**Me and other things that dissolve at your touch**

by Oci Krasny

take me down to the water and                      feel me up

there is more than one way this can go

and I don't think either of them is honest ly

[what I want]

*To feel your teeth graze the inside  
of my*

*[thigh*

Mouth on mouth like animals

devouring

let me change my mind on if today I want to be the predator or the prey. Still only just meat eating

]meat

*a light touch like the water lapping*

at the parts of me I allow you

*to-*

red meat/this anger

Surprised the water outside of me isn't boiling

the way we touch

*(other*

each

piece of me is

incomplete and I am looking for something to fill it up with

*( filled with water*

ex plain myself

*in my mouth*

and it feels so fucking good to be

Just another thing

you

*the moonlight* touches

and you

where does that leave you
